PRECONTRACT APPROVAL RECORD (PART TWO)	CONTRACT DG-455
---	--------------------

The services and equipment being procured by this Contract No. DG-455 are in furtherance of the IDEALIST Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

The attached [REDACTED] contract action and obligation of funds [REDACTED] for the requirements involved.

The Contractor was reluctant to accept a fixed price Contract due to unknowns in the development and fabrication and due to financial investments. Due to financial situation of this fairly new company the Government was reluctant to accept a CPFF Contract without a ceiling as a loss of business could cause a substantial overrun. Consequently, Contractor accepted a ceiling of [REDACTED] which is the estimated cost and fixed fee for this procurement.

Contract negotiations were with the following:

25X1A

25X1A

25X1A

The estimated cost and fee [REDACTED] were found reasonable, particularly when you consider the ceiling established.

Contractor now has [REDACTED] people and anticipates [REDACTED] of business for FY 1964 and [REDACTED] for FY 1965. Indirect rates are as follows:
